

LONDON

STAFFA HONEY

STAFFA is the namesake of the Scottish island. It owes its name to the Vikings, its columnar formations of volcanic rock resembling their homes, which were built on vertically placed beams.

Simplicity is not the key to this striking design — pinstripes and complex geometry set the tone. Staffa's tactile texture is handmade, adding sensibility to any spacious room.

COMPOSITION:

Painted Paper

SIZES

Width: 27" / 68.58 cm

Max panel length: Customizable up to 7 yards / 6.4 m

LEAD TIME

6–8 weeks for international orders

Minimum order: 15 yards

Fire Rating: ASTM E-84 Class A

Maintenance: Wipe with a damp cloth

Repeat: Random
