ST. PETERSBURG DRAWBRIDGES 13704

St. Petersburg, which is often lovingly called 'Venice of the North', is strongly associated with its drawbridges. Looking at the design of this rug, one can see a boat passing under a bridge. This design was created by architect Oleg Klodt when he explored the synergy of architecture and water.

Dune sofa by Philippe Hurel
Colour: Spring Rain

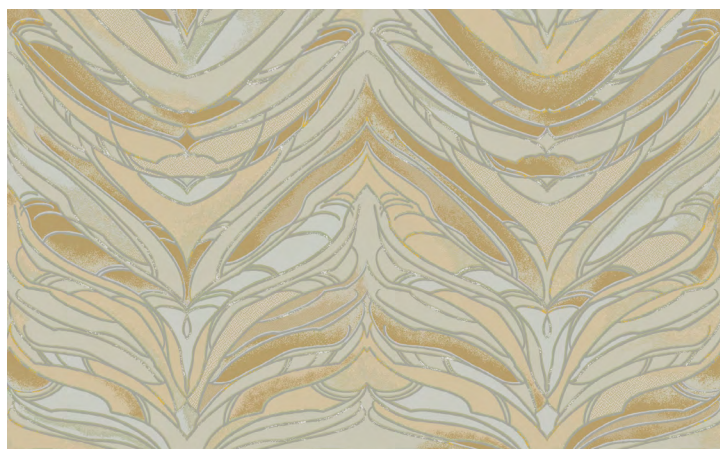

COMPOSITION:

21% cotton
21% PA
28% linen
30% PES
